Hellbound Train (In Concert)

Savoy Brown

Hellbound Train I'm on it's track
Too late now to turn my back
Conductor coming ticket in his hand
Come to claim my soul
Take me to his landHellbound Train I been so wrong
Too late now I'm moving on
Conductor standing watch in his hand
Got to get aboard take you to his landI'm going down the road on the Hellbound Train
Take a long look lady 'cause you won't see me again
Take a last look lady, yes hard and long
'Cause I'm going down the road on the Hellbound TrainHellbound Train driving slow
Move on down to the Hell below
Conductor please won't you lend a hand?
Got to get on board take me to your landYes I know I've been so wrong
Too late now I'm moving on
Hellbound Train I'm on it's track
Moving down I can't look backI'm going down the road on the Hellbound Train
Take a long look lady 'cause you won't see me again
Take a last look lady, yes hard and long
'Cause I'm going down the road on the Hellbound TrainI'm going down the road on the Hellbound Train
Take a long look lady 'cause you won't see me again
Take a last look lady, yes hard and long
'Cause I'm going down the road on the Hellbound TrainLost and flying down the road on the Hellbound Train
Lost and flying down the road on the Hellbound Train
Hand and hand with the devil
