Dearest (I'm So Sorry)

Picture Me Broken

[Verse 1]
Ha Ha
Oh oh oh oh oh
oh oh oh oh
you think that you can play with my heart
you act like you don't care what you do
oh to me (me)
but i said i'm not gonna take this anymore
no more oh no more

[Chorus]
Cause i feel
so trapped inside a video game oh a video game
and i know you know
there's noway that i can get out
unless you understand
how i feel about you

[Verse 2]
you've got my head spinning round
and you've got me feeling like
jumping up and down
but I've got this
addiction to you
oh to you

[Chorus]
Cause i feel
so trapped inside a video game oh a video game
and i know you know
there's noway that i can get out
unless you understand
how i feel about you

[Bridge]
This is just driving me crazy
(its like i'm going more insane)
I'm trying to keep calm
No I can't take another day in this game

[Chorus]
Cause I feel
so trapped inside a video game oh video game
and I know you know
there's noway that I can get out
unless you understand
how I feel about you
