

# Pylons

## Eaves

Raised by lions  
I tore the Lightning down  
From the valley  
To my house  
I heard a voice sing  
Saw the pylons rise  
To the sky from the ground  
And silence is a lonely string  
It hangs from the lamp shade frame  
Watch it swing  
you'll forget your name  
For a time  
Dreamers talk in two's and three's  
Lovers walk with grass stained knees from tall cities  
To the past stained leaves in the valley  
Don't believe me  
I will run you down  
Don't believe me  
I will run you downOoooh oh oh oh oh  
Ooooh oh oh oh oh  
Ooooh oh oh oh oh  
Ooooh oh oh oh ohToiling Ivy  
Cling to life that she cradles  
My body is a child  
She stands like sorrow  
Oh Reminding the gate to the change comes around  
Well they didn't dance in like the sand and moon  
They're all sleeping when our eyes turn blue  
Oh lover it was only you  
With the time  
Don't believe me  
I will run you down  
Don't believe me  
I will run you downOoooh oh oh oh oh  
Ooooh oh oh oh oh  
Ooooh oh oh oh oh  
Ooooh oh oh oh ohDon't write, don't call  
Because your voice is the same  
Don't write, don't call

Because it's the same, because it's the same, because it's the same  
Don't believe me  
I will run you down  
Hey hey  
Don't believe me  
I will run you down
