Let Your Hair Down

MAGIC!

De-ah-boom-boom-boom-boom
De-ah-boom-boom-boom-boom
De-ah-boom-boom-boomDe-ah-boom-boom-boom-boom
De-ah-boom-boom-boom-boom
De-ah-boom-boom-boomThere she goes, there she goes, there she goes
There's nothing better than my beautiful woman
Even though, even though, even though
It's not always effort, we still fly togetherTo me you are more than just skin and bones.
You are elegance and freedom and everything I knowSo come on and
Baby let your hair down
Let me run my fingers through it
We can be ourselves now
Go ahead, be foolish
No one's on the clock now
Lying in this simple moment
You don't gotta worry now
Just let your hair downDe-ah-boom-boom-boom-boom
De-ah-boom-boom-boom-boom
De-ah-boom-boom-boom(Woah) Tell me when, tell me when, tell me when
When I can steal, a sweet kiss right from you
I'm diving in, I'm diving in, I'm diving in
The water's warm right here, hereTo me you are more than just skin and bones.
You are elegance and freedom and everything I knowSo come on and
Baby let your hair down
Let me run my fingers through it
We can be ourselves now
Go ahead, be foolish
No one's on the clock now
Lying in this simple moment
You don't gotta worry now
Just let your hair downBaby let your hair down
Let me run my fingers through it
We can be ourselves now
Go ahead, be foolish
No one's on the clock now
Lying in this simple moment
You don't gotta worry now
Just let your hair downYou don't gotta worry, yeah, oh
Let your hair down

Woah, oh, oh, oh
It's only us here, only us here, only us here
It's only us here, only us here, only us here
It's only us here, it's only us here, it's only us here
Ooh
Ooh
