

# The Red And The Black

## Blue Oyster Cult

Canadian Mounted, baby police force at work

Red and black, it's their color scheme

Get their man in the end

(It's all right)

It's all right

(It's all right)

It's all right

(It's all right)

Ah yeah, my honies know it's all right

(It's all right)

It's all right

(It's all right)

It's all right

(It's all right)

Ah yeah, baby knows it's all right

You'd kill, you'd maim

(Ah, c'mon kill 'em)

You'd kill, you'd maim

(Look out)

C'mon my husky

Frontenac Chateaus baby I cross the frontier at ten

I got a whip in my hand, baby

And a girl or a husky at leather's end

(It's all right)

It's all right

(It's all right)

It's all right

(It's all right)

Ah yeah, baby knows it's all right

(It's all right)

It's all right

(It's all right)

It's all right

(It's all right)

Yeah baby, yeah it's all right

You'd kill, you'd maim

(Ah, c'mon kill 'em now)

You'd kill, you'd maim

Horn swoop me bungo pony on dog sledge on ice

Make a dash for freedom baby, don't skate on polar ice  
It's too thick to be sliced by the light of long and white polar nights

(It's all right)

It's all right

(It's all right)

It's all right

(It's all right)

Yeah, baby knows it's all right

(It's all right)

It's all right

(It's all right)

It's all right

(It's all right)

Yeah, knows it's all right

You'd kill, you'd maim

(Ah, c'mon kill 'em now)

You'd kill, you'd maim

(Maim 'em too ah, break it up)
