

All I'm Gonna Take (Demo Version)

Autograph

Did you ever wonder
If you were gonna break
When you finally hear the call
You've had all you're gonna take
I know when I get there
There ain't nothin' left to say
Somethin' clicks inside me
And it's graduation day Everybody learns (everybody learns)
The point of no return
My circuit breaker's breakin'
My sanity's at stake
I know I've taken all I'm gonna take
Frustrated, body shakin'
Feel like I'm gonna break
I know I've taken all I'm gonna take Big boss man
With his collar and his tie
Thinks he's got the upper hand
When he turns us loose to die
You can make a man so desperate
When there ain't no money left
But a pistol's always welcome
Like American Express Everybody learns (everybody learns)
The point of no return
My circuit breaker's breakin'
My sanity's at stake
I know I've taken all I'm gonna take
Frustrated, body shakin'
Feel like I'm gonna break
I know I've taken all I'm gonna take
