If You're Ever Lonely Darling

Ray Price

If you're ever lonely darling think of all that I've been through
Long and lonesome nights sweetheart, I've waited on you
Say in your mind you have it coming and you know you have to pay
Maybe, baby you will learn and change somedayWhy oh why did you try to deceive me?
You've made me blue sweetheart, both night and day
Say in your mind you have it coming and you know you have to pay
Maybe, baby you will learn and change somedayWhy oh why did you try to deceive me?
You've made me blue sweetheart both night and day
Say in your mind you have it coming and you know you have to pay
Maybe, baby you will learn and change someday
