Bad Boy

Quiet Riot

C'mon!
Yeah!I thought that I was indestructible
But how could I imagine this
I never gave a second thought
Was only hit or missWhile you feed me and it feel so good
Does that mean that wrong is right?
Guess I got the warning
It happened overnightHoney, it's only nasty
When it's nasty
And you know that it hurts
When it's rightI'm a bad boy
I'm a bad boy
They call me nasty
They call me bad
'Cause I'm a bad boy
I'm a bad boy
There are the good ways
To be a bad, bad boyI'm a bad, bad boy
I'm a bad, bad boy
I'm a bad, bad boyWell my behaviour has been in question
Since the day that I was born
I get on my knees to love and to please
Now you've been warned, yeahPay the price if you don't ignite
Now they're trying to pick and choose
You may be the most and know the cost
Yes, come to youOh your eyes are on me now
My defence must be bad somehowBad boy
I'm a bad boy
Call me nasty
They call me bad
But I'm a bad boy
I'm a bad boy
There are the good ways
To be a bad, bad boyI'm a bad, bad boyShow meAnd it's only nasty
When it's nasty
And you know that it hurts
When it's right, right, right, right, rightI'm a bad boy
I'm a bad boy
I found all the good ways

Oh show meBad boy
I'm a bad boy
I found all the good ways
To be a bad'Cause I'm a bad boy
I'm a bad boy
Please call me nasty
Please call me bad
'Cause I'm a bad boy
I'm a bad boy
I found all the good ways
To be a bad, bad boyI'm so bad
So so bad
I'm bad
I'm a bad, bad boy
I'm a bad, bad boy
