## **Bad Boy**

## **Quiet Riot**

C'mon!

Yeah!I thought that I was indestructible

But how could I imagine this

I never gave a second thought

Was only hit or missWhile you feed me and it feel so good

Does that mean that wrong is right?

Guess I got the warning

It happened overnightHoney, it's only nasty

When it's nasty

And you know that it hurts

When it's rightI'm a bad boy

I'm a bad boy

They call me nasty

They call me bad

'Cause I'm a bad boy

I'm a bad boy

There are the good ways

To be a bad, bad boyI'm a bad, bad boy

I'm a bad, bad boy

I'm a bad, bad boyWell my behaviour has been in question

Since the day that I was born

I get on my knees to love and to please

Now you've been warned, yeahPay the price if you don't ignite

Now they're trying to pick and choose

You may be the most and know the cost

Yes, come to youOh your eyes are on me now

My defence must be bad somehowBad boy

I'm a bad boy

Call me nasty

They call me bad

But I'm a bad boy

I'm a bad boy

There are the good ways

To be a bad, bad boyI'm a bad, bad boyShow meAnd it's only nasty

When it's nasty

And you know that it hurts

When it's right, right, right, right, rightI'm a bad boy

I'm a bad boy

I found all the good ways

Oh show meBad boy
I'm a bad boy
I found all the good ways
To be a bad'Cause I'm a bad boy
I'm a bad boy
Please call me nasty
Please call me bad
'Cause I'm a bad boy
I'm a bad boy
I'm a bad boy
I found all the good ways
To be a bad, bad boyI'm so bad
So so bad
I'm bad
I'm bad
J'm a bad, bad boy
I'm a bad, bad boy
