

That Girl

Glenn Frey

Raindrops are fallin' on these hills tonight
I've been drivin' since the mornin' light
It won't be long before those headlights shine
And I'll be missin' that girl of mine
Yesterday, I was safe and warm
Yesterday, I held her in my arms
Now the raindrops are fallin'
And I feel like callin' that girl
Well, there ain't no explainin' what she does for me
It might be somethin' only I can see
Understanding in a quiet way
Undemanding and I got to say
I'm in love and I know it's for sure
I'm in love, I can't stop thinking of her
Now the raindrops are fallin'
And I feel like callin' that girl
Well, I've been callin' that girl for such a long, long time
I can't get through, I'm 'bout to lose my mind
I got so much to tell her, I got so much to say
Ooh, I'm gonna love her 'til my dyin' day
Yeah
Oh, I'm in love and I know it's for sure
I'm in love, I can't stop thinking of her
Now the raindrops are fallin'
I feel like callin'
Raindrops are fallin'
And I feel like callin'
Ooh, raindrops are fallin'
And I feel like callin'
That girl, that girl
