I'm Alive

Luca Turilli

[You, you say, you have lost the way
Got no aim, just livin' for today
Look up to the sky above
And see the morning sun again
You got so much power inside
So cry it out my friend[Chorus]
I'm alive, I'm alive
I'm alive, I'm aliveThere's no use in hangin' all around
You're a king, can't you see your crown
Look into my eyes
So many things are waiting to be done
You just need a friend
Together we will sing along[Chorus]Look into my eyes
So many things are waiting to be done
You just need a friend
Together we will sing along[Chorus]
