It's You

Toots and The Maytals

It's you (x4)
Yeah yeah, it's you, it's you
And I got to say...
(yeah) Aya, aya (x4)
Hey little girl, do you love me?Oh baby, don't you know that I love you?
(yeah yeah) Come on now hear what I say
(It's You, It's You) And I got to say(yeah) Aya, aya (x4)
Hey little girl, do you love me?Ohhhh I'm a lonely boy looking for the love of my heart
Don't you know baby, it's you that I'm talking to love?
(It's You) And I got to say(yeah) Aya, aya (x4)
Hey little girl, do you love me?
