

Hard As This (iTunes Session)

[Lindi Ortega](#)

If you need space
Take a trip
Hijack you a ride on a rocket ship
Hang out with some constellations
Get yourself some isolation, babe
If you need time, here's a clock
You can sit alone at night and listen to it tickin' tock
If it stops
Wind it up
I'll be somewhere givin' up on you
All my love is wasted on nothing but a heartache in my chest
You know how much I hate it baby your the one who does it best
Love shouldn't be so hard
Love shouldn't be so hard
Hard as this
If you need to think
Go read a book
Read about some thief stealing hearts like a crook
See yourself in the plot
Realize you've got a lot to lose
All my love is wasted on nothing but a heartache in my chest
You know how much I hate it baby your the one who does it best
Love shouldn't be so hard
Love shouldn't be so hard
Hard as this
All my love is wasted on nothing but a heartache in my chest
You know how much I hate it baby your the one who does it best
I could've been the one for you but lately I don't know what we've got left
Oh, Love shouldn't be so hard
Love shouldn't be so hard
Love shouldn't be so hard
Love shouldn't be so hard
Hard as this
