

Caught In The Balance

Toto

What happened to me
Oh it seems so long ago
The cuts run deep
But the scars still show I live in the shadows
Where it's been so hard to grow
I'm still a servant in a nobleman's robes You know my weakness girl you know my kind
You helped me see when I was blind It's a crime to live my life without you
Serve out my years in darkness
Inside these walls I die without you
And when I close my eyes
I'm caught in the balance Afraid of the hurricane
I hide in my domain
I need release from all this pain
Please don't forsake me
In these ruins of your home
I can't wait forever
Don't leave me alone I have a secret if you want to learn
I will surrender in return It's a crime to live my life without you
Serve out my years in darkness
Inside these walls I die without you
And when I close my eyes
I'm caught in the balance You know my weakness girl you know my kind
You helped me see when I was blind It's a crime to live my life without you
Serve out my years in darkness
Inside these walls I die without you
And when I close my eyes
I'm caught in the balance It's a crime to live my life without you
Serve out my years in darkness
Inside these walls I die without you
And when I close my eyes
I'm caught in the balance
