

# Worst Day

## The Forces of Evil

Saw my face this morning, woke up to late again  
Mirror shows me more than i can stand so i turn away  
All the second prizes, all the compramises  
slowly realizin' somethings wrong and i don't know why

I can't keep up this hopeless fight  
I know ill never get it right

This is the worst day of my life ( wo oh )  
This is the worst day of my life ( yeah yeah )

Use to dream of fortune, fame love and adventure  
Use to hope for something, now i dream about not waking up  
Thought i could be something, now i know I'm nothin'  
All this time i waisted knowing I would someday fail

I just can't take another day  
I wish i could make it go away

This is the worst day of my life ( wo oh )  
This is the worst day of my life ( yeah yeah )

Today i realized  
Today i found  
Today it came to me  
Today it all came crashing down  
Today the truth was found ( wo oh )

This is the worst day... [x4]  
This is the worst day of my life ( wo oh )  
This is the worst day of my life ( yeah yeah )

---
