Tasty Love

ì¹´ë•¼ (Kara)

Ohh girl the way you do me all night long
Work my love around and make it all come down
You give me that tasty love, oh yeah
Ohh girl you touch a special part of me
A part that no one else has ever seen
Ohh girl such a feeling that is so intense
I have no defenseGirl when you look at me
I can tell you see right through me
'Cause I loose control of my heart and soul
Girl when you're next to me
Your sensitivity inside you gets me yearningDarling, when its right its right it's alright
Darling, keep it there right there ooh yeahOhh girl the way you do me in the morning
Ohh girl the way you love me all night long
Work my love around and make it all come down
You give me that tasty love
The way you rub me down soothes me all around
You give me that tasty love ohh girlOoh girl you can pull love out of me
You can take it so easily
Ooh ohh girl I surrender to your will
Every part of me you can fulfill
