

# Stand

## Aranda

Young man  
Old man  
Don't matter if you're a big man  
Strong man  
I'm coming after anybody get in my way  
I won't have it  
Be the first one coming through the barricade

Don't get me all fired up  
Time to fly baby  
Get yo hands up  
Realize that the go is about to gear off

So get tough when your name is called I see you standing tall  
If anyone comes to get you  
Gonna have to come through us all  
We got nothing to lose and we're not giving up

So stand (stand)

If you want it all stand (stand)  
Against the odds just stand (stand)  
You can never fall  
You gotta stand up stand up to 'em

Stand (stand)

So who you gonna call

Stand (stand)

Against the wall just stand (stand)  
If you want it all you gotta stand up stand up to 'em

Yeah

Get off the wall boy  
Think it's time  
Gonna stomp them hard and  
Draw a line in the sand

No crossing

It's your loss if the game is called  
It's too late to fall

Get up, rise up  
Come together, wanna see your fists up  
And if you wanna then you know never give up  
Had enough, we've come too far gonna take what's ours

If anyone comes to get you  
Gonna have to come through us all  
We got nothing to lose and we're not giving up

So stand (stand)

If you want it all stand (stand)  
Against the odds just stand (stand)  
You can never fall  
You gotta stand up stand up to 'em

Stand (stand)

So who you gonna call

Stand (stand)

Against the wall just stand (stand)  
If you want it all you gotta stand up stand up to 'em

Stand up stand up

Oo how bad do you want it  
You know you gotta have it  
Tell me if you need it  
Oh you gotta bring it

You gotta get up, rise up

Hey

Come together

Hey (gotta get up, rise up)

Hey

Ooo come together

Stand (stand)

If you want it all stand (stand)

Against the odds just stand (stand)

You can never fall you gotta stand up stand up to 'em

Stand (stand)

So who you gonna call stand (stand)

Against the wall just stand (stand)

If you want it all you gotta stand up stand up to 'em

Stand up stand up

Ooo you gotta stand up stand up!
