Sheâ€™d Rather Fight

Rodney Atkins

I miss my baby so much after being gone
Out on that lake at fishin' all weekend long
So I bought her flowers and a bottle of the good stuff
But when I walked in I knew, well I didn't bring enough'Cause she ain't as happy as I am to be home
If looks could kill I'd be cold as a stone
I'm already ready to kiss and make up
Looks like tonight I'm out of luck oh no
Cause she'd rather fight than you know whatHad reservations at that Japanese steak house
Don't need to go where they're throwing knifes around
Just take my ear for love all the wrong I've done
Just get it over while she tears me a new oneShe ain't as happy as I am to be home
If looks could kill I'd be cold as a stone
I'm already ready to kiss and make up
Looks like tonight I'm out of luck oh no
'Cause she'd rather fight than you knowWhat I'd like to do if I could just somehow
Get her in the mood oh but I can see right now
She ain't as happy as I am to be home
If looks could kill I'd be cold as a stone
I'm already ready to kiss and make upLooks like tonight I'm out of luck oh no
'Cause she'd rather fight than you know what
I might be sleeping in my truck
'Cause she'd rather fight than you know whatYou know what I love you
Don't you like what I got you?
I'm out here if you need me
Oh my back's been sunburned
I think I'm sunburned baby
