

# Angelclaw

## Arch Enemy

Angelclaw - A queen of the night  
She reigns from her throne of stone  
Bringer of evil, a destroyer of souls  
Do what thou wilt, lust is her excuse  
She'll use you up, suck you dry  
This beautiful creature makes you high  
Try to break the spell that is cast  
Bu she knows you all to well  
Angelclaw...Effigy of a God long forgotten  
A sickening ritual  
She raises the chalice of blood  
The hunt starts again...
