

If This Is It

Huey Lewis & The News

I've been phoning night and morning
I heard you say, "Tell him, I'm not home"
Now you're confessing but I'm still guessing
I've been your fool for so so long
Girl, don't lie, just to save my feelings
Girl, don't cry and tell me nothing's wrong
Girl, don't try to make up phony reasons
I'd rather leave than never believe
If this is it, please let me know
If this ain't love you'd better let me go
If this is it, I want to know
If this ain't love baby, just say so
You've been thinking and I've been drinking
We both know that it's just not right
Now you're pretending that it's not ending
You'll say anything to avoid a fight
Girl, don't lie and tell me that you need me
Girl, don't cry and tell me nothing's wrong
I'll be alright one way or another
So let me go or make me want to stay
If this is it , please let me know
If this ain't love you'd better let me go
If this is it, I want to know
If this ain't love baby, just say so
If this is it , please let me know
If this ain't love you'd better let me go
If this is it, I want to know
If this ain't love baby, just say so
If this is it , please let me know
If this is it , please let me know
If this is it , please let me know
If this is it , please let me know
If this is it , please let me know
