Intro

SoMo

She never felt betrayed, he was a womanizer
He did many things, things that paralyzed her
Now she's free to roam, and she's running wild
Full of venom love, and it's been a whileOh, man away
Oh, man away, oh
Little broad, do you mean what you say
Oh, do you love?He never felt the same, he was the one beside her
He did everything, but he couldn't guide her
Now she's free to roam, and she's running wild
Full of venom love, and it's been a whileOh, man away
Oh, man away, oh
Little broad, do you mean what you say?
Oh, do you love?
