

# Gotta Know The Rules

## Social Distortion

Spent my whole life looking for something  
What it was, I'm not really sure  
I looked for happiness but only found sorrow  
Then I realized how to unlock that door yea, yea, yea[Chorus]  
So you think you've got it figured out  
It don't come easy, maybe just for fools  
Some say life is a struggle,  
It's a game, just gotta know the rules,  
gotta know the rules Loads of people go through life thinking  
Take what you can and leave the weak behind  
Never stop to think what can you give now  
Too afraid to learn what you might find yea, yea, yea[Chorus] Spent my whole life doing things my way  
Doing unto others, knowing its wrong  
When's the last time you looked in the mirror?  
When's the last time you liked what you saw?-yea, yea, yea[Chorus]
