

Hooligans (VIP Mix)

Example

We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd I don't know if you understood
When it rains down, then drop the hoods
End of the night, it's quite likely
Brand new Nike's fucked for good
Lose your Rolex, rip your t-shirt,
Bounce up til both your knees hurt
Jump up with your hands apart
You're all goin' home in an ambulance Where's all the Hooligans?
The nasty music fans
Let's see ya break some bits and
Make this pit a Zoo again
Where's all the Hooligans?
The nasty music fans
Let's see ya break some bits and
Make this pit a Zoo again We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd A Field full of ravers with their ribs broken
Bounce up til their shins open
Bones poking through,
All beat up but a token few
Was hoping you would come to riot
Bring storms for you to ride it
If you ain't hurt and covered in dirt
You didn't turn up, should'a gone to work Where's all the Hooligans?
The nasty music fans
Let's see ya break some bits and
Make this pit a Zoo again
Where's all the Hooligans?
The nasty music fans
Let's see ya break some bits and
Make this pit a Zoo again We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
We came, we saw, we killed the crowd
