

# I Smell A Rat

Patty Griffin

I smell a rat, baby  
I smell a rat, baby  
You'd better watch out  
I smell a rat, babe  
You won't tell me where you been  
Whiskey running all down your chin  
I smell a rat, baby  
I smell a rat, baby  
You'd better watch out  
I smell a rat, baby  
You come stumbling down the hall  
Bump your head up against the wall  
Knock down drunk and that ain't all  
I know you been having yourself a ball  
I smell a rat, baby

I smell a rat, baby  
You'd better watch out  
I smell a rat, baby  
You come stumbling down the hall  
Bump your head up against the wall  
Knock down drunk and that ain't all  
I know you been having yourself a ball  
I smell a rat, baby  
I smell a rat, baby  
You'd better watch out  
I smell a rat, baby  
I smell a rat, baby  
I smell a rat, baby  
I smell a rat baby, yeah
