

# Sugar in the Rain

Johanna Hemara

I can't tell you when this change occurred,  
When it was my frozen heart emerged,  
The truth is when you looked into my eyes,  
I didn't have a chance, did I?

Couldn't have been easy to break through,  
I didn't want to fall in love with you,  
But underneath the sweet magnolia sky,  
I'm as good as gone, just like,

Sugar in the rain, I am melting,  
You touch me and my fears all disappear,  
And I don't want to ever lose this feeling,  
I could drift like this for days,  
Completely swept away,  
Like sugar in the rain,  
Sugar in the rain.

There isn't a single part of me,  
That wants to analyse a single thing,  
I just want to wrap myself in you,  
Let my body turn into,

Sugar in the rain, I am melting,  
You touch me and my fears all disappear,  
And I don't want to ever lose this feeling,  
I could drift like this for days,  
Completely swept away,  
Like sugar in the rain.

And I don't want to ever lose this feeling,  
I could drift like this for days,  
Completely swept away,  
Like sugar in the rain,  
Sugar in the rain,  
Sugar in the rain.
