

# Lupen Tooth

## Blitzkid

Of wolverine breed I am and this creature am I  
We're drawing down the moon asunder crimson skies  
Bereft with lust for the kill and pack loyalties  
We are the brood, we are the few, moving black, swift and sleek...

(bridge)

Stalking and shapeshifting once again  
As the disease grips at my skin  
Werebeasts capable with claw and teeth  
We hunger for human blood

(chorus)

Whoah oh oh oh oh Whoah oh oh oh oh oh  
Hellbound children that go unseen  
Whoah oh oh oh oh oh Whoah oh oh oh oh oh  
Lost in the moment of lycanthropy The air is thick with intent as the hunt draws near  
Manimals of deadly strength, knowing no fear  
Incensed affixed by the moon full behind the trees  
We tear away at your flesh in mass carnality

(bridge)

(chorus)

(break)

They can they?

They can they?

They can change their shape (x4)(chorus)

(repeat chorus)
