

# Oh No Not You Again

## Australian Crawl

Let me tell you bout two young lovers that lived down the coast  
She was such a pretty thing, and man what a host  
Come evenin time she sets the table for rour  
Some friends are commin round tonight  
He's out on the town, He's tryin to score  
Woke up early this morning something's on his mind  
cursin the night before, breakfast at nine  
She felt him restless oh all through the night  
She senses somethings wrong with him  
She doesn't want to pry, she just wants to know why  
Oh, Oh, Oh, Oh---Oh No, Not You Again  
Don't own no smimming pool, not even a colour TV  
He work awful hard some days and she lets him be  
Things ain't looking to good for them no love no more  
Some friends are commin round tonight  
He's out on the town, Knocking on the wrong door
