## The Cure

The sun is up, I'm so happy I could scream  
And there's nowhere else in the world I'd rather be  
An' here with you it's perfect, it's all I ever wanted  
Oh I almost can't believe that it's for real  
So pinch me quick I really don't think it gets any better than this  
Vanilla smile and a gorgeous strawberry kiss  
Birds sing, we swing, clouds drift by  
And everything is like a dream  
It's everything I wished Never guessed it got this good  
Wondered if it ever would  
Really didn't think it could  
Do it again, I know we should The sun is up, I'm so fizzy I could burst  
You went through me headfirst  
Into this is perfect, it's all I ever wanted  
Oh, it feels so big it almost hurts Never guessed it got this good  
Wondered if it ever would  
Really didn't think it could  
Do it some more, I know we should Say it will always be like this  
The two of us together  
It will always be like this  
Forever and ever and ever Never guessed it got this good  
Wondered if it ever would  
Really didn't think it could  
Do it all the time, I know that we should
