

# Just Because

## Jane's Addiction

If I were you  
I'd better watch out  
When was the last time  
You did anything  
Not for me  
Or anyone else Just because  
Just because Yeah  
Oh, you really should have known  
hey you  
You really should have known Just because  
Just because You've got the most  
Ah, but nobody loves you  
Nobody has to Just because You  
You really should have known  
Oh, you  
I think you really should have known Just because  
Just because Oh yeah  
Oh, you better watch out When we first met  
And we passed around gifts  
That was a long time, ago  
And you're feeling fit Yeah you  
Oh, you really should have known  
Yeah you  
Oh, you really should have known Just because  
Just because  
Just because Oh yeah  
Oh, you better watch out
