

Rollercoaster

Janet Jackson

Oh you bring me up and down through emotions
Like a roller coaster
Spinning like a ferris wheel
Oh you take me upside down with my feelings
And I know the reason
Baby your love is surreal
You make me go you make me go you make me go
Make
Me go
You make me go you make me go
Like a roller coaster There's a high level of love going on
The feelings are just way too strong
The reason that you got me gone
Is babe cause you turn me on
With a bit of it more than a little bit
I'm addicted every time I get a hit of it
Cause oh baby you take me so high
When I'm on your roller coaster ride I'm in and out of love
And it's all because
I can't make up my mind
I'm so confused
Don't know what to do
And it's cause of you Oh you bring me up and down through emotions
Like a roller coaster
Spinning like a ferris wheel
Oh you take me upside down with my feelings
And I know the reason
Baby your love is surreal
You make me go you make me go you make me go
Make
Me go
You make me go you make me go
Like a roller coaster Boy you give me butterflies
So deep inside
Breaks me down when I look in those eyes
Takes me out way across the sky
Baby boy I won't lie
Usually I'm not this shy
You do it to me every time

I get on your roller coaster ride I'm in and out of love
And it's all because
I can't make up my mind
I'm so confused
Don't know what to do
And it's cause of you Oh you bring me up and down through emotions
Like a roller coaster
Spinning like a ferris wheel
ooh you take me upside down with my feelings
And I know the reason
Baby your love is surreal
You make me go you make me go you make me go
Make
Me go
You make me go you make me go
Like a roller coaster Cause you make me go up and down
And around and around and
I can't take it
You make me go up and down
And around and around
That's why boy I can't take it Oh you bring me up and down through emotions
Like a roller coaster
Spinning like a ferris wheel
Oh you take me upside down with my feelings
And I know the reason
Baby your love is surreal
You make me go you make me go you make me go
Make
Me go
You make me go you make me go
Like a roller coaster
