

Good Times (feat. Fat Joe & Beres Hammond)

Buju Banton

(Beres Hammond)

girl you want to come and feel good tonight let me hear you say eih eih eih
are you ready for the one you love tonight let me hear you say eih eih eih

want to live with troubles way beyond sex eih eih eih
now we want to go cross the bridge tonight eih eih eih eih

eih eih eih(eih eih eih)
eih eih eih(eih eih eih)
eih eih eih(eih eih eih)

eih eih eih woa woa woa
oh oh oh(Buju Banton)

so nice chillin with my baby me and my lady slowy workin things out
and dat you are dat lady there is no dout tonight we gonna turn it out

hold you in my arms rocking side to side
loving you only the perfect ride

stars in the heavens every single night

i see something in your eyes(Beres Hammond)

so tonight giving up some love tonight say eih eih eih
when its time to set it right o yea eih eih eih

its like the bible just begun eih eih eih
when the sex just a little long oh eih eih eih eih

eih eih eih(eih eih eih)
eih eih eih(eih eih eih)
eih eih eih(eih eih eih)

woa woa woa(Fat Joe)

buju, beres, joey crack the don

now everything ary mana coo mana easy

joes a beast in da sheets please believe me

not tonight no cusing or fussin

just a whole lot of bumping and crusing, with your special someone

girl with bunion like that how I'm supposed to act

you gotta cat thinking marrige right off the back

its been love at first sight since i met you

and i will never let a man disrespet you, your my queen

and i fiend for your love in the dark

make you scream when we crush in da park, cause I'm a thug in heart

look in your eyes cause it never lies

got me singin like eih eih eih eih(Beres Hammond)

girl you want to come and feel good tonight let me hear you say eih eih eih
are you ready for the one you love tonight let me hear you say eih eih eih

want to live with troubles way oh oh oh eih eih eih
now we want to go cross the bridge tonight eih eih eih eih
eih eih eih(eih eih eih)
eih eih eih(eih eih eih)
eih eih eih(eih eih eih)
eih eih eih woa woa woa(Buju Banton)
I want to hear you scream and shout tonight
so much we gonna make it right
dere is not a moment fi argue nuh fight
live like there's gonna be no more tonight
only the one you love close real tight
true sensation and pure infinite
da mood, da settin, da time is right
come on baby lets dance(Beres Hammond)
girl you want to come and feel good tonight let me hear you say eih eih eih
are you ready for the one you love tonight let me hear you say eih eih eih
want to live with troubles way beyond sex eih eih eih
now we want to go cross the bridge tonight eih eih eih eih
eih eih eih(eih eih eih)
eih eih eih(eih eih eih)
eih eih eih(eih eih eih)
eih eih eih woa woa woa
