

Christmas Song

[Luca Chikovani](#)

It's 24th of December
that time that makes you happy
a perfect day with a perfect weather
with mama some I see the smile in every face
The strenght of magic is in the air
why don't you give me your embrace?
you're the only one for whom I'am oh here we go
oh under the mistletoe
oh play the winter snow
oh Baby I'm yours
We're preparing the christmas tree
Merry Christmas to every family
I don't want it in a million years
Cause all I need is yours with this
one tee of piece out loud
I'm breathing for you, is this town?
so do you stop your fight and everything will be alright oh here we go
oh under the mistletoe
oh play the winter snow
oh Baby I'm yours It's christmas time
It's christmas time
It's christmas time yeah
It's christmas time
It's christmas time
It's christmas time oh
and give me a kiss it's midnight oh here we go
oh under the mistletoe
oh play the winter snow
oh Baby I'm yours oh here we go (here we go)
oh under the mistletoe (under the mistletoe)
oh play the winter snow (the winter snow)
oh Baby I'm yours (yours) oh here we go (here we go)
oh under the mistletoe (under the mistletoe)
It's christmas time
It's christmas time
It's christmas time
It's christmas time
But her we go
Give me a kiss

I'm yours
