

Some Kinda Wonderful

Little Eva

Wonderful, wonderful, wonderful
All you have to do is touch my hand
 To show me you understand
 And something happens to me
 That's some kind of wonderful
 Any time my little world is blue
 I just have to look at you
And every thing seems to be some kind of wonderful
I know I can't express this feeling of tenderness
 There's so much I wanna say
 But the right words just don't come my way
 I just know when I'm in your embrace
 This world is a happy place
 And something happens to me
 That's some kind of wonderful
I know I can't express this feeling of tenderness
 There's so much I wanna say
 But the right words just don't come my way
 I just know when I'm in your embrace
 This world is a happy place
 And something happens to me
 That's some kind of wonderful
