Longsight M13 (Album Version)

Ian Brown

Here's your gift wrapped easter egg
You're scented like a rose
Got so many dreams
I think my head might explodeLet the stars shine on
Until the break of dawn
Let the stars shine onSeen so many happy faces
Waving back at me
Been so many places
Even right don't ever get to see
Got ex-girlfriends in a frenzy
Green with jealous eyes
With far to many demons now
To ever exorciseLets the stars shine on
Until the break of dawn
Let the stars shine on
And let her move, move like a queen
Of Longsight M13You and I
Now we are together
Love will Fly
Love will Fly
We will live forever
You don't have to justifyLet the stars shine on
Until the break of dawn
Let the stars shine on
And let her move, move like a queen
Of Longsight M13
