Live For The Moment

Monster Magnet

There's a little pile of ashes
Where my old life used to be
Credit cards and memories
All dumped into the seaWell, this ain't no time for bullshit
As I fly into the sun
Well, you can't trust anybody
If you can't trust number oneWell the man tells me my future
Is not so far away
And get ready for tomorrow
I gotta waste my whole todayMy inner light knows better
It's what I wanna hear
Just like a diamond bullet
Well, it's crystal, crystal clear, oh, yeahI can slap a tornado
I can dry up a sea, yeah
When I live for the moment
There ain't no ain't knowin' meYou'll never find your pleasure
If you worry about your pain
And your precious little details
Are stretchin' out my brainWell you spin around and bite your nails
Now let me tell you, son
That you can't trust anybody
If you can't trust number oneWell, the man tells me my future
And it's not so far away
And get ready for tomorrow
I gotta waste my whole todayWell, my inner light knows better
Well, it's what I wanna hear
Just like a diamond bullet
Well it's crystal, crystal clear, oh, yeahI can slap a tornado
Well, I can dry up a sea
When I live for the moment
There ain't no, ain't knowin' meNow don't you sell me no future, yeah
Don't you sell me your love
I ain't vouchin' your number
You couldn't pay me enoughI ain't buyin' no future
When the past is so far away
I ain't buyin' no future
When the past is so far awayI ain't buyin' no future
When the past is so far away
I ain't buyin' no future

When the past is so far awayI can slap a tornado
I can dry up a sea, yeah
When I live for the moment
There ain't no, ain't knowin' meNow don't you sell me no future, yeah
Don't you sell me your love
I ain't vouchin' your number
You couldn't pay me enough
You couldn't pay me enoughYou couldn't pay me enough
You couldn't pay me enough
You couldn't pay me enough
You couldn't pay me enoughCouldn't pay me enough
You couldn't pay me enough
You couldn't pay me enough
You couldn't pay me enoughYou couldn't pay me enough
You couldn't pay me enough
You couldn't pay me enough
You couldn't pay me enoughCouldn't pay me enough
You couldn't pay me enough
You couldn't pay me enough
You couldn't pay me enoughCouldn't pay me enough
Couldn't pay me enough
You couldn't pay me enough
You couldn't pay me enough
