

# Follow You Follow Me (Live In Paris)

## Genesis

Stay with me,  
My love I hope you'll always be  
Right here by my side if ever I needed you  
Oh my love In your arms,  
I feel so safe and so secure  
Everyday is such a perfect day to spend  
Alone with you I will follow you will you follow me  
All the days and nights that we know will be  
I will stay with you will you stay with me  
Just one single tear in each passing year With the dark,  
I see so very clearly now  
All my fears are drifting by me so slowly now  
Fading away I can say  
The night is long but you are there  
Close at hand I'm better for the smile you give  
And while I live I will follow you will you follow me  
All the days and nights that we know will be  
I will stay with you will you stay with me  
Just one single tear in each passing year there will be I will follow you, I will follow you
