Love Me or Leave Me

Bryan Ferry

This suspense is killing me, I can't stand uncertainly
Tell me now I've got to know whether you want me to stay or go
Love me or leave me or let me be lonely
You won't believe me, I love you only
I'd rather be lonely then happy with someone elseYou might find the night time the right time for kissin'
Night time is my time for just reminiscin'
Regrettin' instead of forgettin' with somebody elseThere'll be no one unless that someone is you
I intend to be independently blue
I want your love but I don't want to borrow
To have it today to give back tomorrow
For my love is your love there's no love for nobody elseThere'll be no one unless that someone is you
I intend to be independently blue
I want your love but I don't want to borrow
To have it today to give back tomorrow
For my love is your love there's no love for nobody else
