All Dressed Up

Kyven

She's weighin' on my mind and it won't let up
I couldn't get enough of her
She's out on the town and she's all dressed up I couldn't get enough of her
She walked into the room and the place lit up
I couldn't get enough of her
Distance is lifting me up
I couldn't get enough of her love
I couldn't get enough of her
Here's a song for you I play
For all of my life, for all of my days
Life is short but the summer is long
And we could get together a lot before the fall
And when you get near, close enough to hear
My mind just settles, the thoughts just clear
And I could touch you right and I could rush you right
Them walls gonna fall like the full moon-light, yeah, yeah
She's weighin' on my mind and it won't let up
I couldn't get enough of her
She's out on the town and she's all dressed up
I couldn't get enough of her
She walked into the room and the place lit up
I couldn't get enough of her
Distance is lifting me up
I couldn't get enough of her love
I couldn't get enough of her
Here's a song for you I play
For all of my life, for all of my days
Life is short but the summer is long
And we could get together a lot before the fall
And when you get near, close enough to hear
My mind just settles, the thoughts just clear
And I could touch you right and I could rush you right
Them walls gonna fall like the full moon-light, yeah, yeah
She's weighin' on my mind and it won't let up
I couldn't get enough of her
She's out on the town and she's all dressed up
I couldn't get enough of her
She walked into the room and the place lit up
I couldn't get enough of her

Distance is lifting me up
I couldn't get enough of her love
She's weighin' on my mind and it won't let up
I couldn't get enough of her
She's out on the town and she's all dressed up
I couldn't get enough of her
She walked into the room and the place lit up
I couldn't get enough of her
Distance is lifting me up
I couldn't get enough of her love
I couldn't get enough of her
I couldn't get enough of her
I couldn't get enough of her
