

Always(Robot Unicorn Attack)

Erasure

Open your eyes I see
Your eyes are open
Wear no disguise for me
Come into the open When it's cold outside
Am I here in vain?
Hold on to the night
There will be no shame Always, I want to be with you
And make believe with you
And live in harmony, harmony oh love Melting the ice for me
Jump into the ocean
Hold back the tide I see
Your love in motion When it's cold outside
Am I here in vain?
Hold on to the night
There will be no shame Always, I want to be with you
And make believe with you
And live in harmony, harmony oh love
