

# Stand In Line

## Hurricane #1

Ten men stand in line  
At the gates of the cemetery on Tuesday morning  
They're not open today  
And ten moms stand in line  
At maternity ward  
They're not bringin' no babies out to play  
Anytime today What's a nice girl like you doin'  
Walkin' around this part of town?  
See you sometime tomorrow And ten men stand in line  
Waitin' for some personality to be put out on the corner  
Today ain't garbage day  
Ain't no grabage taken today
