

# Shame on the Night

Dio

Shame on the night  
For places I've been and what I've seen  
For giving me the strangest dreams  
But you never let me know just what they mean And oh, such shame on the night, alright  
And shame on you You've stolen the day, snatched it away  
But I saw the sky and I never want to die  
Now you know the reason why Oh, shame on the night  
You don't care what you've done  
So I think I'd better run Shame on the sun for the light you sold  
I've lost my hold on the magic flame  
But now I know your name  
Oh Lord, just go the way You came again Oh, shame on the night  
You don't care what you've done  
So I know I'd better run Shame on the night  
For places I've been and what I've seen  
For giving me the strangest dreams  
You never, never, never know just what they mean And oh, shame on the night  
You don't care what you've done  
Here I go, I've got to run Shame on the night  
Shame, shame on you  
Shame on my dreams  
Shame on the sun and you  
Shame on the night Well, I lost my hold on the magic flame  
But now I know your name Shame on the night  
Shame on you  
Shame on all of you  
Shame on the night
