Captain Sunshine

Lucy Schwartz

All night, waiting for you to come my way
Iâ€™ve dreaming that youâ€™d be here to stay

Then oh, oh, oh, oh, oh,
Youâ€™re back again
And ainâ€™t that fine
Make way for captain sunshine

Ha ha ha ha ha ha
Ha ha ha ha ha ha
Make way for Captain Sunshine

Lonely, only for you
What can I do
When youâ€™re always leaving
It gets dark inside my room

Then oh, oh, oh, oh, oh,
Youâ€™re back again
And ainâ€™t that fine
Make way for captain sunshine

Ha ha ha ha ha ha
Ha ha ha ha ha ha
Make way for Captain Sunshine

Captain Sunshine
Wonâ€™t you shine all day,
Wont you shine all night

Captain Sunshine
Wonâ€™t you shine all day,
Wont you shine all night

Weight has lifted and the weatherâ€™s fine
I, keep on digging that Captain Sunshine

Weight has lifted and the weatherâ€™s fine
I, keep on digging that Captain Sunshine

Weight has lifted and the weatherâ€™s fine
I, keep on digging that Captain Sunshine
