When The Lights Go Out

5ive

Yeah, I like that, you know what I mean?
You're looking kind of fly tonight, girl
What's up, check itBaby, when the lights go out
I'll show you what it's all about
Comin' at you, girl, you're gonna like this, girl
Here we go, check itI ain't sorry for the way I feel
I know you think I'm being insincere
From the way like I'm treatin' you
I never wanted to be so unkind
The only one thing on my mind
Is just kickin' it with you, girlBaby, it's not the way I feel
You know you must believe me
Baby, it's not part of the deal
Oh, no, noBaby, when the lights go out
Every single word could not express
The love and tenderness
I'll show you what it's all about
Babe, I swear you will succumb to me
So, baby, come to me when the lights go outAh, yeah, check it, check it out
Second verse, girlI know you think it may be just a lie
Ain't no good in puttin' up a fight
'Cause my heart is set on you
I see the truth is in your eyes
I ain't fooled by your thin disguise
I can see I'm gettin' through, babeGirl, don't deny the way you feel
You know you gotta trust me
Give me a chance to prove I'm real
Oh yeah, yeahBaby, when the lights go out
Every single word could not express
The love and tenderness
I'll show you what it's all about
Babe, I swear you will succumb to me
So baby, come to me when the lights go outBaby, when the lights go out
Every single word could not express
The love and tenderness
I'll show you what it's all about
Babe, I swear you will succumb to me
So baby, come to me when the lights go outWhen I flick the switch, make your hips wanna dip
Now I can get you off 'cause I'm ready and equipped

Now swing for me baby, give me all that you got
Never wanna stop 'cause you make me feel hot
I know what you wanna do and that I feel the same way too
Give you what you want through the days and the nights
Yeah, it's about time that we turned out the lightYeah, I like that, so what's up, check itBaby, when the lights go out
Every single word could not express
The love and tenderness
I'll show you what it's all about
Babe, I swear you will succumb to me
So baby, come to me when the lights go outBaby, when the lights go out
Every single word could not express
The love and tenderness
I'll show you what it's all about
Babe, I swear you will succumb to me
So baby, come to me when the lights go outBaby, when the lights go out
Every single word could not express
