

# The Realist (Album Version)

## Poison the Well

Please just this once, do this for me  
I've seen you in clouded visions saying goodbye  
I remember when we were gonna sit each other down  
And explain ourselves, always busy blame myself  
Always busy blame myself, always busy blame myself Your color was blue myself is making me feel that way  
I apologize, apologize you're old enough to take care of  
If we can't speak go back to your bed so you'll be here  
When I wake up and I'm worried with no reason why Harm is an acquaintance and it says it's not very fond of  
you  
It's not very fond of you, it's not very fond of you  
And just this once "Stay", I say "I'll see you soon", he says  
And until you come back I will stay awake Your color was blue myself is making me feel that way  
I apologize, apologize you're old enough to take care of  
Your color was blue myself is making me feel that way  
I apologize, apologize you're old enough to take care of  
Your color was blue myself is making me feel that way  
I apologize, apologize
