

# Tarzan Boy (Summer Version) [Remastered]

## Baltimora

Jungle life, I'm far away from nowhere  
On my own like Tarzan Boy  
Hide and seek, I play along while rushing cross the forest  
Monkey business on a sunny afternoonJungle life, I'm living in the open  
Native beat that carries on  
Burning bright, a fire the blows the signal to the sky  
I sit and wonder does the message get to youNight to night  
Gimme the other, gimme the other chance tonight  
Gimme the other, gimme the other night to night  
Gimme the other, gimme the other worldJungle life, you're far away from nothing  
It's all right you won't miss home  
Take a chance, leave everything behind you  
Come and join me, won't be sorry, it's easy to surviveJungle life, we're living in the open  
All alone like Tarzan Boy  
Hide and seek, we play along while rushing cross the forest  
Monkey business on a sunny afternoonNight to night  
Gimme the other, gimme the other chance tonight  
Oh yeah, night to night  
Gimme the other, gimme the other night to nightYou won't play, night to night  
Gimme the other, gimme the other chance tonight  
Oh yeah, night to night, night to night  
Gimme the other, gimme the other
