Lemonade

Alexandra Stan

Everything is so good in the summer air
Just put behind you all the problems that we share
Look into the sun, you'll see me and you
Cause now you have the perfect view
I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me
I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me
Sunny, happy with the music no money
I'm taking you on holiday
Sipping yellow lemonade
Sunny, happy with the music no money
I'm taking you on holiday
Sipping yellow lemonade
Kept my promise and we're laying on the beach
Now we have each other and it feels so rich
Look into the sun, you'll see me and you
Cause now you have the perfect view
I'm so alone

And now I really wanna make you come along
I just want you to see
You're the only one for me
I'm so alone
And now I really wanna make you come along
I just want you to see
You're the only one for me
Sunny, happy with the music no money
I'm taking you on holiday
Sipping yellow lemonade
Sunny, happy with the music no money
I'm taking you on holiday
Sipping yellow lemonade
So alone
You're the only one for me

I'm so alone
And now I really wanna make you come along
You're the only one for me
Sunny, happy with the music no money
I'm taking you on holiday
Sipping yellow lemonade
Sunny, happy with the music no money
I'm taking you on holiday
Sipping yellow lemonade
