

Stone Dead Forever

Motörhead

You think you see me, in the glass
You think you hear me, you better listen fast
I think I see you, gone to seed
The only reasons were your guilt and greed
You're out there on your own
Your face turned to stone
Whatever happened to your life?
Stone dead forever It's been a long time, been a long, long wait
And now you've caught your fingers, in the Pearly Gates
You'd better leave your number, and we'll call you
You know your problems, ain't exactly new
The wrong side of the fold
Your touch has turned to gold
Whatever happened to your life?
Stone dead forever You're a financial wizard, a top tycoon
You're sweet lounge lizard, with a silver spoon
You know you never had it, quite so good
'Cause you didn't know, that you even could
But the time has come to pay
Turns out to have been a play
Whatever happened to your life?
Stone dead forever
