

Crucifixion

Zombie Oil

[intro]

I donâ€™t think I believe thereâ€™s an answer
I donâ€™t think I know whatâ€™s right
I donâ€™t think that you catch what Iâ€™m drifting

[pre chorus]

I wanna do bad things tonight
Yeah, yeah

[chorus]

Wrap your legs around my religion
Call me god and take what Iâ€™m giving
Wrap your legs around my religion
Yeah

[bridge]

I donâ€™t care who you claim as your savior
I donâ€™t care if youâ€™re left or right
I donâ€™t care what fad youâ€™re abusing

[verse]

I wanna do bad things tonight
Yeah, yeah

[outro]

Wrap your legs around my religion
Call me god and take what Iâ€™m giving
Wrap your legs around my religion
Yeah
Yeah, yeah

Wrap your legs around my religion
Call me god and take what Iâ€™m giving
Wrap your legs around my religion
Yeah, yeah

Wrap your legs around my religion
Call me god and take what Iâ€™m giving
Wrap your legs around my religion
Yeah
