Rock 'n' Roll Star

Oasis

I live my life in the city
There's no easy way out
The day's moving just too fast for me
I need some time in the sunshine
I gotta slow it right down
The day's moving just too fast for meI live my life for the stars that shine
People say it's just a waste of time
When they said I should feed my head
That to me was just a day in bed
I'll take my car and I drive real far
To where they're not concerned about the way we are
In my mind my dreams are real
Are you concerned about the way I feelTonight I'm a rock 'n' roll star
Tonight I'm a rock 'n' roll starI live my life in the city
There's no easy way out
The day's moving just too fast for me
I need some time in the sunshine
I gotta slow it right down
The day's moving just too fast for meI live my life for the stars that shine
People say it's just a waste of time
When they said I should feed my head
That to me was just a day in bed
I'll take my car and I drive real far
To where they're not concerned about the way we are
In my mind my dreams are real
Are you concerned about the way I feelTonight I'm a rock 'n' roll star
Tonight I'm a rock 'n' roll star
Tonight I'm a rock 'n' roll starYou're not down with who I am
Look at you now you're all in my hands tonightTonight I'm a rock 'n' roll star
Tonight I'm a rock 'n' roll star
Tonight I'm a rock 'n' roll starIt's just rock n roll
It's just rock n roll
It's just rock n roll
It's just rock n roll
It's just rock n roll
It's just rock n roll
It's just rock n roll
It's just rock n roll
