# Hanging On A Star

## Nick Drake

Why leave me hanging on a star?
When you deem me so high
When you deem me so high
When you deem me, so highWhy leave me sailing in a sea?
When you hear me so clear
When you hear me so clear
When you hear me, so clearWhy leave me hanging on a star?
When you deem me so high
When you deem me so high
When you deem me, so high
